### GUIDING PRINCIPLES

We will encourage our learners – students, staff and community – to be . . .

**CONNECTED** – by using technology and interpersonal skills to develop positive relationships

**RESILIENT** – by having self confidence, self belief and the ability to problem solve and take risks

**RESPONSIVE** – by adapting to situations and being actively motivated to be the best they can be

**REFLECTIVE** – by knowing where they are at, where they want to get to and having the resourcefulness to get there
