

Flashcards Activity 10

Culture is the integrated system of socially acquired values, beliefs and rules of conduct, which delimit the range of accepted behaviours in any given society.

Flashcards Activity 10

Culture is learned; it changes gradually and has different layers. It is immeasurably pervasive and complex.

Flashcards Activity 10

Culture and language are
closely linked.

Culture is not static.

Flashcards Activity 10

The whole world is my village
and all people are my
relatives.

Tamil poem

Flashcards Activity 10

We came looking for paradise,
and paradise we found
but it wasn't enough, so we wept, and
talked of leaving and never left.
