

Classroom Grid Activity 20

Guidelines for Dealing with Cultural Difference in Multicultural classrooms

Ref: *Review and Evaluation of International Literature on Managing Cultural Diversity in the Classroom* Elsie Ho, Prue Holmes and Jenine Cooper University of Waikato 2004

Goal	What does this look like in our class/school?	How will we do this?
Goal 1: To acknowledge, value and celebrate cultural differences		
Goal 2: To use strategies for understanding and managing cultural diversity in the classroom		

<p>Goal 3: To cater for mismatches in expectations and assumptions in understandings about teaching and learning styles</p>		
<p>Goal 4: To create opportunities for socialisation between and among all groups of students</p>		
<p>Goal 5: To celebrate multiculturalism within the school and make links with the community</p>
